## **DR. STONE CHAIRS SCIENTIFIC PROGRAMS FOR VALLEY FORGE DENTAL CONFERENCE**

(Doylestown, PA) –Laurence Stone, D.D.S., M.A.G.D, with a Doylestown-based practice in Cosmetic and General Dentistry, served as chairman of the scientific program for the annual Valley Forge Dental Conference, held at the Valley Forge Convention Center, King of Prussia, PA on March 2, 3 and 4, 2005.

The Conference was sponsored by the Second District Valley Forge Dental Association (VFDA) and serves as the premier continuing education resource to practicing dentists in the Delaware Valley. According to VFDA president, Dr. Jeffrey Sameroff, “Educationally, this year Dr. Larry Stone has put together a wonderful array of speakers and ‘hands on’ experiences guaranteed to edify, stimulate and refresh all members of the dental team.”

Dr. Stone, who also serves as Director to the Second District Valley Forge Dental Association, representing the Bucks/Montgomery Dental Society, has organized presentations on a wide array of clinically relevant topics on restorative dentistry for every team member within the dental practice. This includes a presentation of a dental materials update by Dr. Michael Miller, the publisher of *Reality*. In addition, Dr. Marjorie Jeffcoat, dean of the Dental School of the University of Pennsylvania, will lead a cutting edge symposium on “The New Periodontal Medicine.”
